Low Input Viticulture & Enology, Inc. is a sustainable agriculture program providing vineyards and wineries with official recognition for viticultural and enological practices that are modeled after international standards of Integrated Production.

LIVE Sponsorship Opportunity

LIVE and its partners will be hosting a lecture series in 2010 titled *Integrated Solutions for Sustainable Wine and Winegrape Production*. This series will run throughout the year with an aim toward providing at least 8 highly targeted lectures and workshops taught by a variety of industry experts, OSU extension agents, and OSHA representatives. Lectures are expected to draw between 20-40 people each. The series will be promoted through the LIVE website, OWB newsletter and press release to industry publications.

We are accepting the following levels of commitment:

- **Presenting:** \$3000, ~~3 spots available~~ 1 spot remaining
- **Sponsor:** \$1000, unlimited
- **Consideration:** \$500 or equivalent in gift-in-kind, unlimited

SPONSORSHIP SUMMARY

Presenting sponsors will be included on the promotional banner to be displayed at all lectures, workshops, and field days. The text will be set in the largest font of the three levels of sponsorship. It will read, "Presented by," followed by the names of LIVE and its 3 Presenting sponsors. Presenters will have their logos included on the promotional banner and newsletter if they so wish. This level will also guarantee inclusion into the LIVE quarterly newsletter and LIVE website. Presenters will also be provided with LIVE collateral material for display upon request.

Sponsors will be included on the promotional banner to be displayed at all lectures, workshops, and field days. The text will be set in the second largest font of the three levels of sponsorship. It will read, "Sponsors," followed by the names of those who donate at this level. This level will also guarantee inclusion into the LIVE quarterly newsletter and LIVE website.

Consideration sponsors will be included on the promotional banner to be displayed at all lectures, workshops, and field days. The text will be set in the third largest font of the three levels of sponsorship. It will read, "Consideration," followed by the names of those who donate at this level. This level will also guarantee inclusion into the LIVE quarterly newsletter and LIVE website.

ABOUT LIVE

Low Input Viticulture and Enology, Inc is a 501(c)3 not-for-profit organization that provides education and certification for vineyards and wineries. LIVE uses international standards of sustainable viticulture and enology in both wine-grape and wine production. These practices are based on an independent 3rd-party-verified checklist system consisting of required and prohibited elements, as well as numerous ecological options.
